SLIDING FEE DISCOUNT PROGRAM

The Syracuse Community Health Center offers a Sliding Fee Discount Program. This means we can adjust your charges for medical and dental services based upon your family size and household income. If you have insurance, completing a sliding fee application will ensure that you receive a discount should you experience a loss in coverage or incur charges for services not covered by your insurance.

Our Sliding Fee Discount Program **DOES NOT APPLY** to the following:

- To any LAB testing done through Quest Lab / Lab Corp, who is our reference laboratory. You must contact them for information in regards to applying for a discount program with their facility.
- To adult immunizations or injection; these are charged to you at cost.
- To any major dental appliances.

Please check the income chart below. If your gross income (defined as before taxes are taken) appears on the line that shows the number of household members who live with you, **that you are responsible for,** you may be eligible for a reduced charge.

Complete the application form on the reverse side and provide the necessary income verification so that our Billing Department staff can review your application. You may also mail the form with necessary income verification, as stated on the reverse side, to the above address and will notify you of your status. If you have any questions, please do not hesitate to call the Syracuse Community Health Center at (315) 476-7921.
